The Clarke Cheerleaders are a group of six vivacious girls who serve the college by boosting spirit and morale at every varsity event in sports. These girls are chosen on their ability, appearance, character, and poise. They have worked hard and long in leading our Panthers to be Number One in spirit.

PITCHERS

Hurling for the "Clawing 9" this season will be Bobby Pennebaker, John Mark Westmoreland, Billy Brantley, Larry Hood, and Jerry Stone. WOMEN'S DORM COUNCIL

Pat Atwood, Nellie Bridges, Connie Skeleton, Pam Bell, Cindy Melton, Cindy McCool—President, Brenda Smith

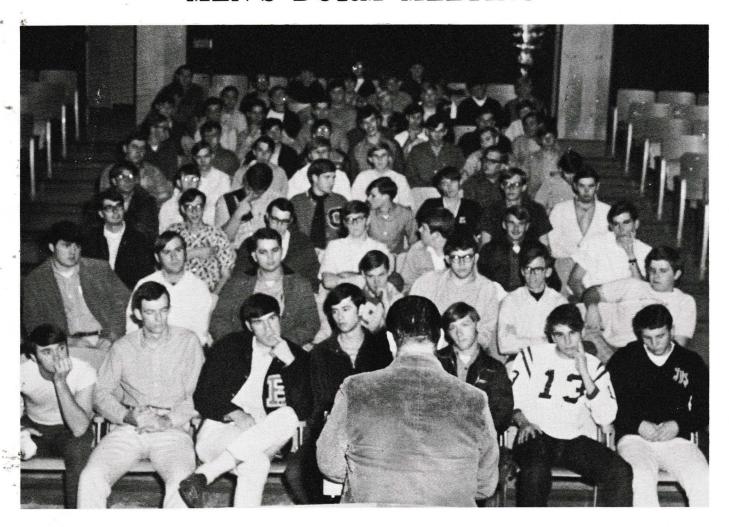

Mrs. McGaugh, Dean of Women, and Mrs. Wood, Resident Advisor, are two very important people on the Dorm Council. Throughout the year they have guided and directed the council into the superb organization that it is.

One of the duties of a Council member is to sit lobby duty. This means that she informs girls of their visitors and is in charge of the dorm during her period of duty. Another duty is that of a Hall Rep—for every hall in the dorm there are two council members assigned a room. Hall Reps keep order on their hall, check rooms, and at specified times every night make sure the girls of their hall are present.

MEN'S DORM MEETING

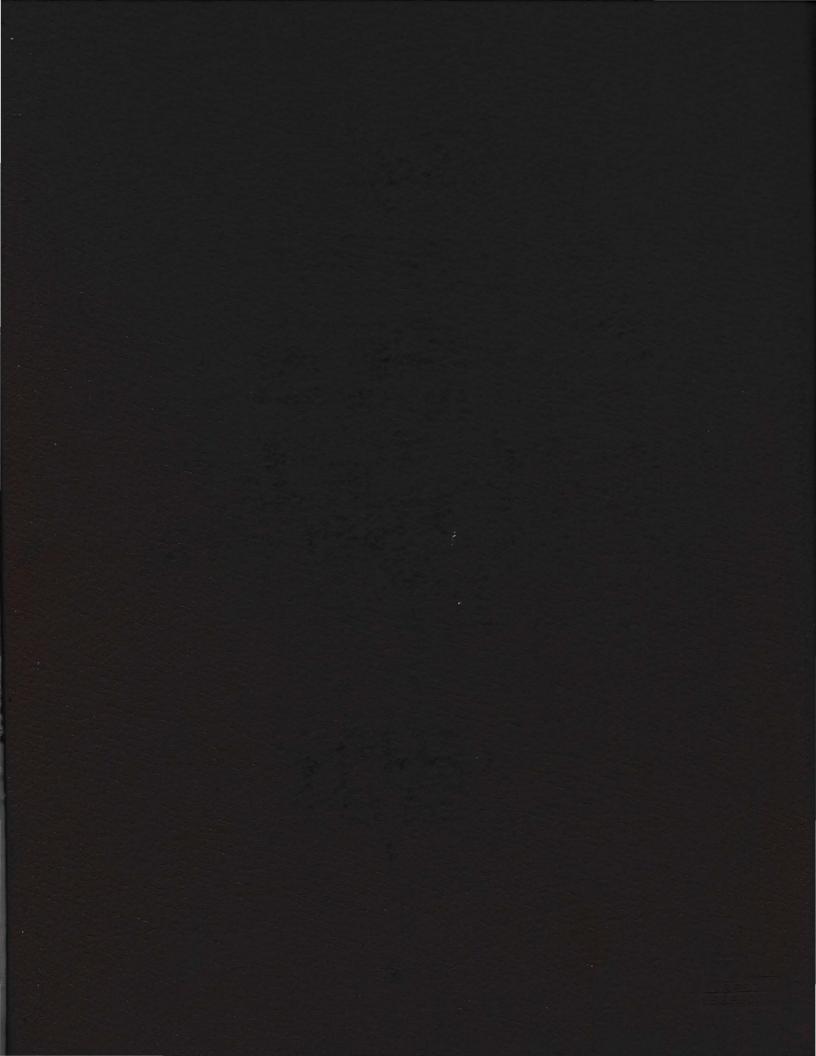

Mr. and Mrs. Victor R. Vaughn, and their two sons, Roy and Mike, abide in the apartment on the ground floor of Huddleston Hall. Dean Vaughn has served as Dean of Men for the past eight years. This year he serves as Director of Student Personnel Services, Dean of Men, and Guidance Counselor to 85 young men in Huddleston Hall.

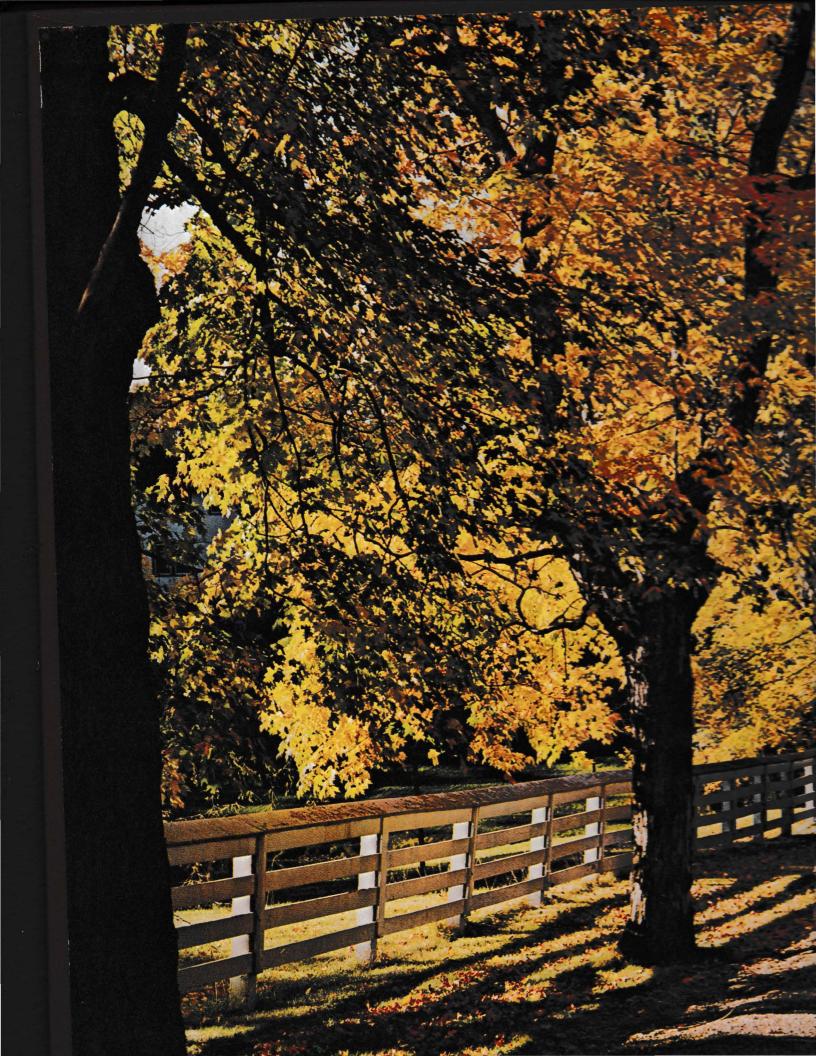

The Action goes on and on and on

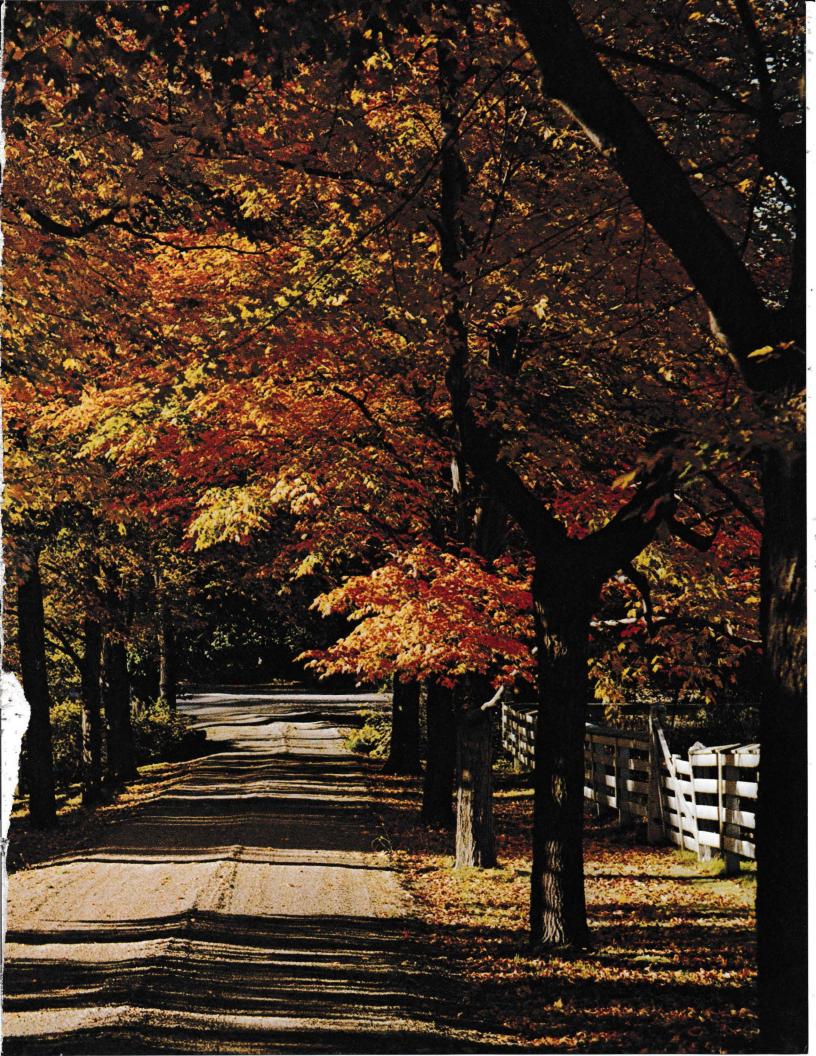

The action has quieted ... but has not ceased ... Only the memories are left to rekindle the fire that once blazed with action. Yes, CMC has taught us much in our few years here ... We learned to think ... on our own ... as an individual or as a composite group. We matured and sought the values of life which we now hold so dearly in our lives. And now, whether the good times outweigh the bad or not ... We can still review our actions by leafing through the pages of this book and once again see our actions immortalized.

This edition of the SEER has been published with but one objective: to capture a year between its covers.

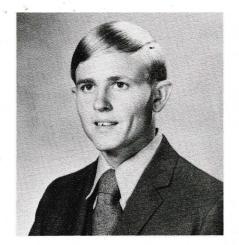

With the passing of time, the echoes of our school life will grow fainter and fainter. Soon its routine and its fuss will be but happy memories.

Like a beacon, however, the principles of Clarke Memorial College taught us in these happy days, will gleam forth into a way of life, Christ-like in character and manner.

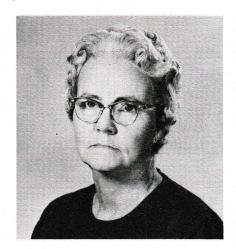

To recapture, in the years to come, old scenes, fun, and friendships of yester-years, the SEER staff offers you its 1970 annual.

Each year new faces become a part of Clarke's life and the old ones move to new scenes of activity and service. Each face represents a life that means something to the students on campus. To these faces and lives the 1970 SEER staff dedicates this annual.

The spirit of sports—before the game and afterwards.

The long wait at mail call each day.

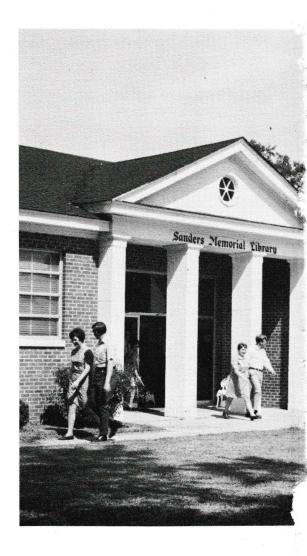

The long hard hours of study that go in towards the fulfilling of each goal set by each individual.

The chapel programs—whether it be entertainment by our basketball folk group or merely the representation of Alabama in chapel by "Governor Fuller."

The long waits at the polls require much effort and patience to decide who the ruling class officers will be.

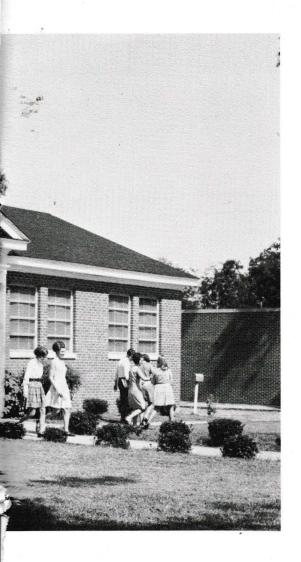

Yes, there's action in almost every phase of campus life at Clarke.

かり

Butterflies were fluttering when the beauties were called upon to parade in the pageant.

Chow time—you talk to it and play with it—but NEVER eat it.

A meaningful activity is the Mission Band ministry in the convalescent homes.

The chapel activities range from the worshipful, through the educational, to the ridiculous.

A formal gown, heels, and a pretty hair-do, go into the preparation to make a girl "Feel Pretty."

Emotional and physical action is exemplified by student spectators as they empathize with every action on the courts.

Oh yes, there's action!!

ADMINISTRATION

PRESIDENT W. L. COMPERE

They've been happening here too. Demonstrations! Quite different from the marches, protests, confrontations that make the headlines across the country.

But just as real.

Christian athletes giving a musical program in chapel, electrifying fellow-students with their testimony . . . The entire campus family going all out for a successful Guest Day . . . Choral and drama groups presenting Christmas opera, choirs giving programs on TV . . .

Students making sacrificial gifts
to the Lottie Moon Offering for foreign missions
doing all kinds of jobs for extra money to give . . .

Student pastors, songleaders and youth teams
conducting services in churches over a wide area . . .

All this and more, while pressing on
to carry out a full academic program.

Thank you for such positive, constructive demonstrations.

MLouren Compere

W. Lowrey Compere

Dedication, Devotion, and Inspiration are three little words that describe President and Mrs. W. L. Compere and their work here at Clarke.

Dedication—Shown through their job in administering, advising, and assisting students.

Devotion—Shown to the students whether they be in a classroom or a basket-ball game.

Inspiration—That's the big one. They give Inspiration to the students, to the faculty, and to our activities on campus. A special push when it comes to the Lottie Moon Star.

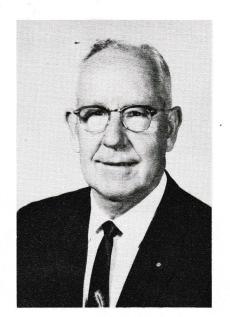

Three little words: Dedication, Devotion, and Inspiration, that describe our leaders, President and Mrs. Compere.

PLEASE Mr. Valentine—not THAT much. Please.

Look for Bro. C in the center of any and ALL activity!

Who is the more active: a mother, an adviser, or a public relations secretary? All lead very busy lives full of activity and new experiences, yet, someone on our campus lives all three lives, every-

day of the week (and some nights, too)! That someone, actively involved, is—Mrs. Frances Wood.

ACTIVITIES

BSU

Members of the Executive Council are pictured. Seated: Diane Malone, Frank Blackwell, Linda Ballard, Carolyn Franklin, JoAnn Fite, Kim Blalock, Marilyn Allen. Standing: Pat Atwood, Ron Baker, Glenn Shows, Linda Marter, President, and Mr. J.B. Costilow, Director.

The BSU is the coordinating agency for the voluntary religious organizations and activities on the campus. The aim of the BSU is to keep Christ supreme in every phase of campus life, by leading each student into active participation in the life and program of a local church.

Membership in any of the unit organizations, or the local Baptist churches automatically makes the student a member of the BSU. The officers of these unit organizations make up the Baptist Student Union Executive Council. The BSU is under the direction of the BSU Director and is correlated through the executive council.

IN ACTION

Mrs. Costilow joyfully aids Mr. Costilow in his BSU activities.

Activities sponsored by the BSU include Singspiration, which occurs every weekday at one o'clock. This period of active and joyful singing gives each participator a better relationship to his friends and with his work.

Another activity which is carried on daily is Morning Watch. This meets at 7:30 every weekday morning and consists of a quiet period of meditation and a short devotional. This enables a student to relax, commune with his Lord, and it gives one a fresh start on each new day.

The Mission Band consists of all members of BSU who travel each week to visit the convalescent homes in Meridian or Forest. The homes are visited in alternating order. A religious program is presented each week.

The BSU Basketball Team is a newly organized activity and is well supported. This intercollegiate team challenges the teams of other BSU's.

MINISTERIAL ASSOCIATION

Officers of the Ministerial Association are Kenny Rhodes, Vice-president, Ron Baker, Secretary, Troy Massey, president, Luther Johnson, in charge of the jail ministry, and Donald Tharp, in charge of the radio ministry.

The Ministerial Association provides fellowship, study, and opportunities for mission action. The practical problems that a young minister faces in conducting services such as baptisms, marriages, and funerals, are studied. Radio services and jail services are projects of this group. The fellowship of prayer undergirds all that the Association does.

WMS

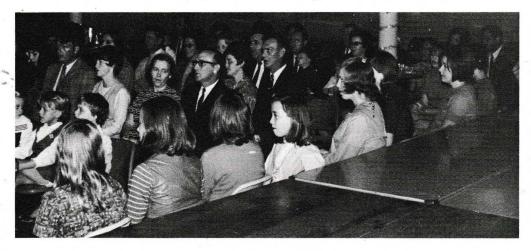

The Woman's Missionary Society engages in the study of, prayer for, and giving to missions; encourages participation in mission action and missions projects; and sponsors Girls' Auxiliaries and Sunbeam Bands for children who live on the campus.

MINISTERS' WIVES' FELLOWSHIP

The wives of ministerial students meet for fellowship and for a study of problems, responsibilities, and opportunities which the pastor's wife faces in the home, in the community, and in the church.

YOUTH TEAMS

OFFICERS: Bobbye Winstead, president; Marilyn Matthews, Betty Kelly, Nellie Bridges, Libby Waller, Kenny Rhodes, Gene Gillis, and Connie Skelton

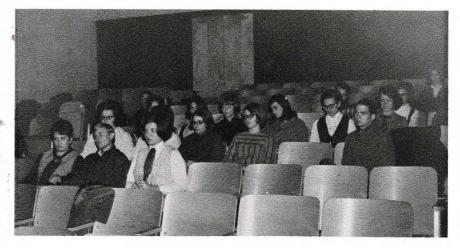

The primary purpose of the Youth Teams is to give to Christian young people the opportunity to share with others the love and concern which God has shown them. They are able to do this as ministers, music leaders, pianists, and testimonies, by conducting services in churches on Sunday mornings, Sunday nights, and in weekend revivals.

TESTIMONIES

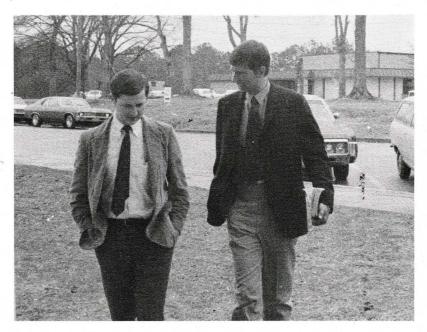

Concerned Youth Team members congregate to discuss important future events that concern the Youth Teams.

The skit "Annie Get Your Gun" was presented to a Rec Hall-packed audience as one of many pre-Guest Day activities.

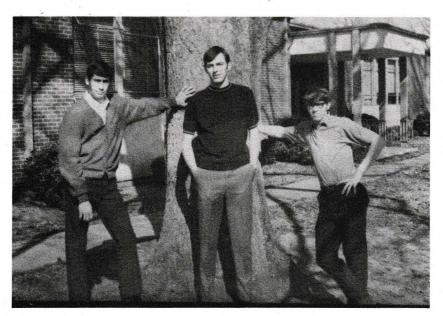

Good Ole' Santa once again made a lot of children happy as he appeared at the children's party with gifts for all the boys and girls. This party was one of several sponsored by the Youth Teams.

Tommy Lester, who plays "Eb" on GREEN ACRES, discusses with Mr. Woodie Burt, Youth Team sponsor, the possibilities of Clarke's Youth Team Organization sponsoring a young person to work on the "Strip" in Hollywood, witnessing for Christ.

FCA

President—Bobby Pennebaker Vice-President—Hal Bates Secretary-treasurer—John Mark Westmoreland

The purpose of the Fellowship of Christian Athletes is to witness for Christ through all phases of athletics. Membership in the club is limited to any Varsity athlete or team manager.

Although this is a newly organized club it will continue to grow because of the fine leadership and guidance which it has had and because of its high ideals.

REA

The Religious Education Association includes both men and women students who are interested in the field of religious education and who plan to enter vocations of this type. Its main purpose is to acquaint members with opportunities, developments, materials, and methods in the field. It also seeks to give its members practical experience in the field of Religious Education. Each Wednesday night the REA members conduct a religious service at the Choctaw Indian Mission Center in Philadelphia. The Choctaw Indian Choir visited our campus and presented a very inspiring Christmas program which the students attended with enthusiasm.

Dr. C.H. Melton, sponsor, Carolyn Franklin, President, and Mr. Dewitt Pickering, Program Speaker.

SNEA

The Student National Education Association consists of students who are interested in the teaching profession. During the year they have actively participated in the chapel programs by bringing before the student body plays and speakers.

Their play exemplified the "ordinary" (?) classroom and the problems and experiences of a teacher trying to fulfill her vocation. Problems such as: unruly boys and avid discussions on the classroom and religion. Linda Ballard portrayed the teacher and Frank Blackwell served as moderator during the Classroom vs Religion debate with other members filling in as students and debators.

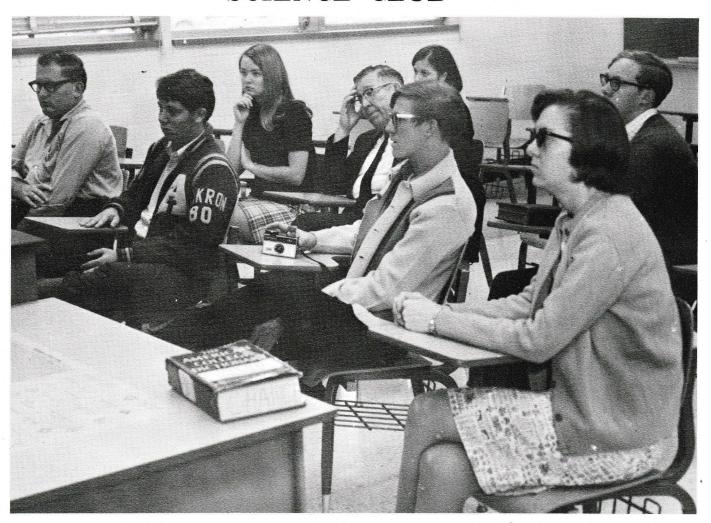

Mr. Vaughn sponsored the SNEA and has spoken for and about them during chapel programs. Throughout the year the SNEA has shown us who the teachers of tomorrow will be and the capability of our SNEA chapter to fulfill their jobs as teachers.

CLARKE COLLEGE SENIORS

The Clarke College Singers presented Menotti's AMAHL AND THE NIGHT VISITOR at Christmas time under the direction of Mr. James B. McElroy, with Miss Juanita West as drama consultant.

Throughout the year the Singers represent the school in churches, schools, conventions, and at civic meetings in the state and in neighboring states. They appear on television and on tour.

These scenes behind the scenes are typical of the preparation for the AMAHL production: rehearsal, costuming, planning and construction of sets, then the final make-up for the big presentation.

The Basketball Folk Group has done a remarkable job this year in carrying out the theme of the Fellowship of Christian Athletes. This group, composed of all members of the FCA, is primarily a group of young men who, at a church's or a high school's invitation, go out and perform, present skits, and have testimonies and really prove what a Christ-centered life can do for an athlete. We commend this group for the high morale they upheld and hope that the group will continue to exist.

THE CHOSEN FEW is a folk group who have come together this year to combine their talents to create a sound of which they are proud. They have performed at numerous banquets and talent shows and are always accepted for their musical abilities. The group is composed of Everet Sollie, leader, Nellie Bridges, Rhonda Gregory, and Sharon Mitchell.

THE SOUL SEEKERS is our newest addition to the independent musical groups, and it differs in the respect that they are a gospel quartet. This quartet, composed of Gene Gillis, Paul Bryant, Gary Cornett, and Chris Spurlock, has performed for the college and for revivals.

THE SOUNDS OF SILENCE presents music of all around good taste for all occasions. These five have searched and found the right kind of music to present for all kinds of entertainment and to all age groups. Sponsored by the music department, the group is composed of Leland Fuller, leader, Martha Hilton, Elaine Martin, Philip Reitzammer, and Janet Husbands.
